

Newman Elementary Basketball

The Newman Elementary Basketball Program is intended to give students a positive, team athletic experience.

Objectives

The objectives of the Newman Elementary basketball team are as follows:

1. Develop a positive attitude and sportsmanship
2. Promote physical fitness
3. Improve individual and team skills
4. Have fun!

Participants

3rd and 4th grade and 5th and 6th grade students are invited to practice in the mornings during breakfast.

Expectations

Students will be held to academic and behavioral expectations set forth by the coaching staff. These expectations are set to ensure the overall success of our students both on and off the court. Rules are in place to ensure students are safe and have fun. Participation is free of charge.

By signing below, you agree to and understand the following:

- Students must meet academic and behavioral expectations in order to practice and play.
- Concerns about an individual student's behaviors may result in an additional behavior contract.
