

Greeting, Mrs. Annabelle!

Aurora Gilmore

As you know, this month we are greeting Mrs. Annabelle, our newest Tiger! She used to work at Meadowlark Elementary. She speaks English and Spanish. We are happy she is here!

Some interesting things about her are that she likes the color blue and enjoys movies. Bet you wouldn't guess that her home state is Colorado! Another wild fact about her is that she has nine dogs!

Make sure to say hi when you see her at the front desk!

The Start of Something New

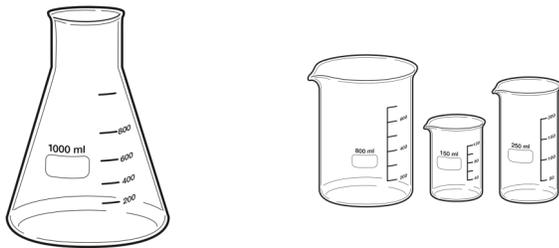

Emilie Kleinman

We are going to be starting a new year. We will also be starting a new decade (ten years). There are a lot of fun and interesting things that happened from 2010-2019. I asked the teachers what their favorite things from the '10s were.

Ms. Morrill said her favorite thing was online streaming and digital devices. Ms. Syphus said her favorite thing was Netflix because it's nice to watch a movie and eat popcorn.

I went on the web and found other great things the decade brought us. They include: superhero movies, meme culture, and selfies. Some of my favorite parts were Fortnite, fidget spinners, and the solar eclipse.

We have had a great decade. Can you believe this is the decade that we will be turning into adults? Happy new decade, Newman Tigers!

Science Fair

Mia Parke

Newman's Science Fair is coming up (January 22nd to be exact). I talked with Mrs. Lyon, one of our 6th grade teachers. She likes the Science Fair because it helps students improve thinking and solving real-world problems. 5th and 6th graders compete to go to district and if they win, they move on to state. We hope to see you at Newman's Fair! Good luck to all of our Science Fair students!

Coming Events:

- 1/7 Utah Food Bank @ 2:20-3:20
- 1/9 PTA Meeting @ 5:00pm
- 1/15 Community Breakfast w/ Ms. Sharr @ 8:10am
- 1/16 SCC Meeting @ 5:30pm
- 1/17 Short Day—12:40pm
- 1/20 No School
- 1/22 Science Fair
- 1/23 Family Night—Google Fiber @ 6:30pm
- 1/28 Community Breakfast with Ms. Sharr and Dr. Cunningham @ 7:30am
- 1/30 Short Day—12:40pm
- 1/31 No School—Professional Development Day

January Joke

Ember Osness

Why do you tell actors to break a leg?

It always starts with a cast!

Counselor's Corner

Emilie Kleinman

This month, our counselor is presenting how to work on conflicts in relationships. She will be teaching skills about how to solve common conflicts.

Conflict is a part of everyone's life, so I'm glad our counselor can help with some of it. We might have conflicts with friends, family, classmates, and cousins. It is important to learn how to solve conflicts nicely. One of the tools students will learn about is the Peace Path.

Feel free to reach out to Mrs. VanEpps with any questions.

Leadership Basketball League

Lilli Jensen

Our school is participating in the Leadership Basketball League and they could really use your support and school spirit. The games are at Escalante.

To all of our basketball players, if you need a ride to the games from Coach Terry, you have to have a parent or guardian approve and sign a permission slip. If you plan on riding with someone other than your parent or guardian, you must have permission.

The first game of January is Thursday, the 9th at 3:00 against Meadowlark. Please go cheer them on!

Electric Sign Company

Ember Osness

Do you like art? Or making money? Well, listen up, 4th-6th graders! We're exploring the history and art of vintage neon signs based in Utah. This project celebrates the Young Electric Sign Company's 100th anniversary in 2020.

They are having a gallery on January 17th at 6-8pm at the Downtown Artist Collective. It is at 258 East 100 South, Salt Lake City.

We made a foam print in art class based on a Utah sign. Our prints are on display for sale at the gallery, along with works from students at Bennion Elementary. You might just get paid for your masterpiece if someone wants to buy it! All proceeds from the art will go to the students who made it and our school!

January Fun

Brylee Maddox

January now is here

A brand new start

For a whole new year.

You look out the window

To see the snow fall

You see the pile stacked so tall.

Go get a blanket

Wrap yourself tight

And look at the world, all so white!

Cyberbullying

Rory Bayly

Cyberbullying is a very serious topic. People can get very hurt when they are cyberbullied. Cyberbullies usually use excuses. Some of these excuses are: "it's just a joke", "you don't know me", and "everyone is saying that".

Everybody can be cyberbullied; in fact, I was. It can be scary. First, mean comments or texts pop up out of nowhere. The best way to solve this is to ignore them. Don't interact, especially if you don't know them. Trying to defend yourself gives the bully more power and you probably won't win.

If you didn't read this in time and interacted, STOP! Get a trusted adult *immediately*. The adult can find a way to report them or block them. Cyberbullying is hurtful and bad. Never be the one behind the screen making people feel sad.

Snowman

Mia Parke

Ingredients

1 box of rice cereal

1 bag of regular-sized marshmallows

Store-bought icing (black for eyes and buttons), (orange for the nose)

Step 1. Take the peppermint Oreos and crumble them in a blender/food processor, but be safe! When they look like crumbs, they are done.

Step 2. Add the cream cheese and powdered sugar to your cookie crumbs. Mix well.

Step 3. Put the cookie mixture into a bowl and mix again.

Step 4. Roll them into 1 inch balls and place them on a cookie sheet.

Step 5. Chill for 30 minutes in the refrigerator.

Step 6. Have an adult help you melt the chocolate and mix the cookie ball into the chocolate.

Step 7. Top with sprinkles!

Step 8. Keep in refrigerator until you want to eat them. Enjoy!
