

Door Safety

Soren Wangsgard

Have you heard of all the rules about the doors? There are just a few.

First you shouldn't hold the door open for people. Everyone needs to get buzzed in by Ms. Pam in the front.

We know Newman Tigers are kind, but even if you know someone, make sure they check in through the front door. This helps make sure everyone in the building is safe.

When you leave school, go out your assigned doors. This keeps things organized and no one gets trampled.

These rules are necessary for keeping our school a safe place. Thank you for staying safe!

A Night with the Grizzlies

Evan Archibeque

Hello Newman Tigers! Have you or any of your relatives wanted to help support the school, but didn't know how? Well, what's coming up soon will be *purr-fect*! Newman will be getting money from the tickets of the Utah Grizzlies hockey game. This game will be held on **Saturday, March 16th at 7pm**. Every ticket that you buy will give a certain amount of money to Newman if you call Craig at 801-988-8026 and mention Newman.

I think you should go to the game! It's sure to be fun. Hope to see you there!

Spring Break

Juan Perez

Are you excited for spring break? Well, I am! I'm going to tell you what to do during spring break. Ok, let's start!

You can maybe play videogames, for all the game lovers. Or if you like art, you can buy a coloring book or look up something to draw from YouTube. Are you turning a little hungry? You can find a recipe in Tiger Tales from Mia Parke! Want to get a little exercise? You can jump rope or go for a walk. Maybe you can even convince your family to go camping! My favorite place to camp is Bear Lake.

These are some activities you can do, but there are many more! Have fun and have a great time!

SCC

Lilli Jensen

SCC is looking for parent volunteers to help after school. Parents are needed to help with the cross-walk at the drop-off and pick-up area. They would like parents to hold the Stop and Slow signs and wave students safely across. Please contact the school if you are interested!

On top of that, they are also looking for community members to be on a neighborhood committee. This committee would give input on the new project to make the streets more bike and pedestrian friendly. If you are interested in this, come make your voice heard and join our committee. Please email Melissa Wilson at Lissamalin74@gmail.com if you would like to join.

St. Patrick's Day History

Derek Earl

Have you ever wondered about why we celebrate St. Patrick's Day? Maybe you wonder why the shamrock is a symbol for this holiday. St. Patrick's Day is March 17th.

Saint Patrick was born in Roman Britain in the late 14th century. He was kidnapped at the age of 16 and became a slave in Ireland until he escaped. Eventually he worked in Ireland to spread Christianity.

The legend says that St. Patrick used the shamrock to represent the Trinity. He was famous for building churches, school, and monasteries.

So now that you know about St. Patrick, what are you waiting for? Go tell your parents and celebrate the amazing holiday of St. Patrick's Day!

Book of the Month

Aurora Gilmore

I want you to get interested in reading an upper-grade book series. You may have seen it or heard of it before. It is called *A Series of Unfortunate Events* and it begins with The Bad Beginning.

One gray sky day, the Baudelaire orphans find out that their parents have died in a devastating fire. After a few days, they go to live with a man named Count Olaf. All he cares about is the fortune that their parents left them. Join the Baudelaire kids as they escape thieves and danger, and see if they can foil Count Olaf's evil plans.

Beware! Once you read the first one, you will have to read all 13!

Daylight Savings Time

Kaylee Graciano

Have you ever wondered what Daylight Savings Time is and what people mean about "fall back and spring forward"? Well, if you fall back, it means you get one more hour of sleep. This is because you change your clocks to an hour earlier, back to normal time. I personally think that I like falling back because I like sleep!

Spring forward means you lose an hour of sleep. You move the clock an hour ahead. Even though you lose sleep, you get more time to play during the day!

Daylight Savings starts Sunday, March 10th at 2am. Don't forget to change your clocks!

Step 3. *Make the chocolate pudding.* Follow the instructions on the packaging. Be careful (have adult supervision)
