1. Ms. Andrews welcomed the council and distributed information regarding the Wellness, PBIS, Title I and III sections of the School Improvement Plan (SIP). The proposed SIP that Newman sent to the district for approval was also reviewed. The budget for the school's 1033 (School Improvement), 2208 (Family Involvement), 2209 (Title I), 2230 (Title III) and 4222 (Land Trust) accounts. Tentatively, Newman should have at least another \$10,000 in operating budget for 2017-2018 and possibly more depending on what the School Improvement Committee (SIC) decides to recommend. Ms. Andrews is also trying to free up money for professional development.
2. Ms. Andrews reviewed the rough draft calendar by the month for 2017-2018, which will also be discussed with the SIC.
3. Mr. Aragon asked if we could change the day and time of SCC so that it is right before Family Night. Pros and cons were discussed. Volunteers from West HS could provide babysitting. The time could be changed. The committee decided to change the date to the 4th Thursday (the same as Family Night) and the time to 5:30PM instead of 6PM.
4. Mr. Zamora asked if we could have an SCC table at registration in August. Ms. Andrews agreed.
5. Mr. Zamora will also continue to be the Chair of the SCC.
6. The next meeting will be on September 28, 2017 at 5:30PM.
