## 40 Book Challenge Update

Wow! We have so many students at Newman who are reading so many books!

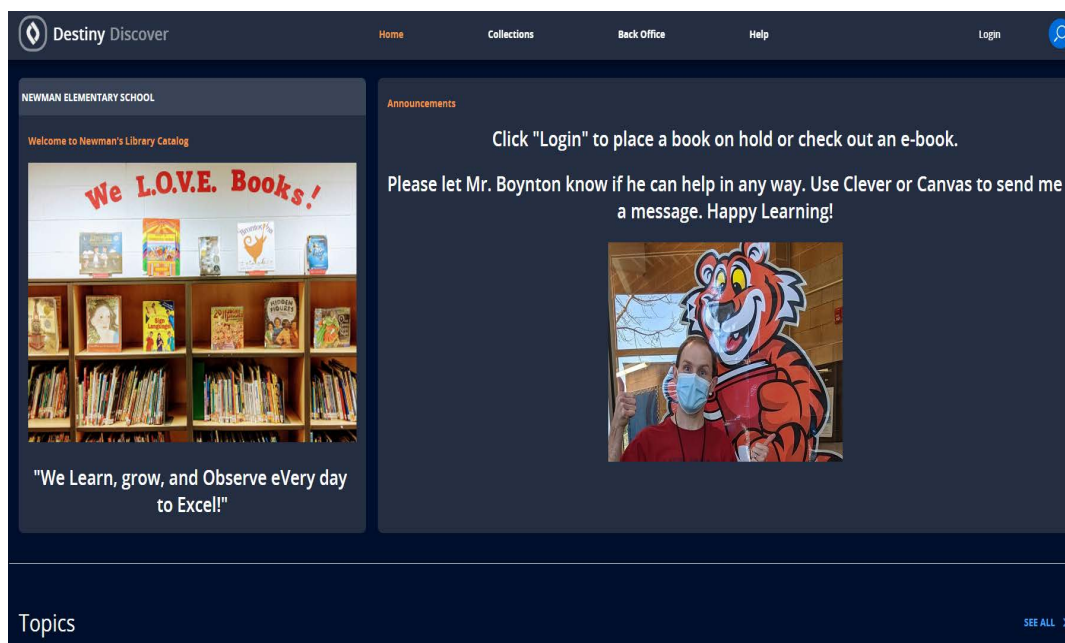

Way to go and way to read! For every 10 books a student reads *and* writes down on their library class bookmark, they get a button. There have been 51 students so far with their first button showing they have read at least 10 books this year. Many also have their button for reading 20 books so far. Adults can help students write down the books they have read and bring it to the LLC to get their button. Read every day!
